HANGS Construction · October 2026 Financial Reporting Package

HANGS Construction Development LP · Month ended October 31, 2026 · FY2027 began July 1, 2026 · Prepared November 9, 2026. DRAFT from the Accounting Machine, built on the draft adjusted trial balance of the October close, whose proposed entries are not yet posted. Unsigned and unsent. Invented demonstration data.

Management Summary

October home sales were **$812,400.00** from two closings, against a budget of $1,215,000.00: the Lot 22 closing moved to November. Gross margin held at 20.0%. Net income for October was **$14,592.21** against a budget of $134,660.00; for the year to date it is **$167,155.54** against $245,440.00. The close's proposed entries reduced income by $33,843.22.

Cash and restricted cash rose $616,799.17 in October to $1,216,006.01: $500,099.17 from operations, a $240,000.00 construction loan draw, and $111,300.00 spent on equipment and site office units. Unrestricted cash is $1,029,606.01.

All three lender covenants are met. The leverage ratio is **1.43 to 1.00** against a maximum of 1.50 to 1.00: headroom of 4.5% is under the 10% warning level, so it is flagged for the Controller before the compliance certificate. 4 items need a person before release; nothing has been posted or sent.

Current Portion of Long-Term Debt · RE-2025-0418 · $62,000.00 · Reclassify Before Release

> *REPORT-4 Current Portion of Debt (Reporting Procedures page 2): “Present principal due within twelve months of the balance sheet date as a current liability, from the debt schedule. The reclassification is for presentation only and is not a journal entry.”*

The Ridgeway Equipment Finance note was interest only through September 30, 2026. Its first principal installment is due December 31, 2026, and 4 installments of $15,500.00 fall due by October 31, 2027. Under REPORT-4, RC-01 presents $62,000.00 as the current portion of long-term debt and $186,000.00 as long-term. It is a presentation reclassification, not a journal entry. The September comparative is presented the same way ($62,000.00); the September package showed the note as long-term only. The Harrow Point Lending construction loan has no principal due before June 30, 2028.

Follow-up: Confirm RC-01 and present the current portion in the October package (Controller). Status: Open.

Variance Without an Explanation · 6300 October · $8,385.06 · Explanation Needed

> *REPORT-3 Budget Variances (Reporting Procedures page 2): “Compare each income statement account with the approved budget for the month and the year to date. Every variance that is more than $5,000 and more than 10% of the budgeted amount needs a written explanation from the line owner before the package is released.”*

October actual $14,385.06 against a budget of $6,000.00. Under REPORT-3 a variance of more than $5,000 and more than 10% needs the line owner's written explanation before release. The explanations file has 6 lines; none is for 6300. 6 of the 7 variances over the threshold are explained. The package keeps this line marked Explanation Needed until one is added.

Follow-up: Get the October variance explanation for 6300 Repairs & Maintenance (Field operations manager). Status: Open.

New Job Without a Budget Line · Job 27-07 · $86,540.00 · Budget Line Needed

> *REPORT-5 Jobs and Job Budgets (Reporting Procedures page 3): “Job cost must agree with Homes Under Construction after the close entries. Every job with cost in the year must have an approved budget line; a job without one is reported to the Controller.”*

The job cost report lists job 27-07 (Started October 12, 2026) with $86,540.00 of cost added. The approved FY2027 budget has job budget lines for 27-04, 27-05 only, so this job's spending cannot be measured against anything. Job cost still ties to GL 1400 at $6,890,445.50. Under REPORT-5 the job is reported to the Controller; an approved budget line is needed before November's package.

Follow-up: Add an approved FY2027 budget line for job 27-07 Alder Court Townhomes (Controller). Status: Open.

Covenant Headroom Under 10% · Section 7.1 · $155,463.48 · Covenant Warning

> *REPORT-6 Lender Covenants (Reporting Procedures page 3): “Compute each financial covenant from the statements, on the lender's definitions. Report the headroom of each; when headroom is less than 10% of the covenant level, warn the Controller before anything goes to the lender.”*

Total liabilities $4,952,721.53 over tangible net worth $3,457,277.83, which is partners' capital $3,515,527.83 less the $58,250.00 due from HANGS Property Holdings LLC, as the lender defines it. At these liabilities the covenant needs tangible net worth of $3,301,814.35, so net worth could fall by only $155,463.48 before it is breached. Headroom of 4.5% is under REPORT-6's 10%, so the Controller is warned before the compliance certificate goes to Harrow Point Lending. The covenant is met; nothing is sent.

Follow-up: Review covenant 7.1 headroom before the compliance certificate is signed (Controller). Status: Open.

Review and Release

This package is a draft. The Controller reviews it, the open items and the covenant calculations, and only the Controller releases the package or signs a compliance certificate (REPORT-7). Nothing has been posted, and nothing has been sent to the partners or the lender.
