Tidewater Metal Recovery

CERTIFICATE OF DESTRUCTION

Ferrous and Equipment Recycling · 19 Slag Point Rd, Anytown, WA 00000

Certificate number: TMR-26-0227
Received from: HANGS General Contracting LP
Received on: February 27, 2026
Unit: Concrete pump truck, 2013, 28-meter boom, VIN ending 13388
Owner asset number: EQ-3102
Scrap settlement: $0.00

The unit was dismantled and processed as scrap metal on the day received. It cannot be returned to service. The owner stripped usable parts before delivery, so no scrap payment is due and the hauling fee was waived.

Demonstration document. Not a real certificate.
