Date:	**October 19, 2026**
Client:	**HANGS Construction Services LLC**
Period covered:	**July 1, 2025 to October 19, 2026**
Matters reported:	**3**

At our client's request we describe below the pending or threatened litigation, claims and assessments on which we have been engaged and to which we have devoted substantive attention on its behalf. This response is limited by our client's instructions and the ABA Statement of Policy, and speaks as of its date.

Matter 1 status:	**Settled October 8, 2026**
Matter 1 amount:	**$110,000.00**

After mediation on October 6, 2026, the parties signed a settlement: Corliss pays $110,000.00 by October 30, 2026 in full settlement of the $186,935.00 billed; HCS releases its lien and dismisses the suit on payment. The settlement agreement is attached.

Matter 2: Brindlewood School District No. 14: liquidated damages of $41,250.00 under section 8.3

Matter 2 status:	**Final; extension denied September 15, 2026**
Matter 2 amount:	**$41,250.00**

HCS asked on July 20, 2026 for a 12-day extension. The district denied it on September 15, 2026. On our advice HCS will not contest; the damages are final.

Matter 3: HCS's backcharge claim against Harrowgate Precast Inc. for the Tideflats panels

Matter 3 status:	**Asserted by HCS; not filed**
Matter 3 amount:	**Not estimable**

A claim by our client, not against it. We cannot predict its outcome or amount.

Unasserted claims: we have not been asked to advise on, and are not aware of, any unasserted claim or assessment that is probable of assertion. No other pending or threatened litigation.
