Book Before Close

Coded to the Wrong Account · 7302 · Dana Ortiz · $1,286.40

> *CARD-6 Coding (Card Policy page 3): “Code each charge by what was bought, using the coding guide in Appendix A. Materials for a job go to 1400 with the job and cost code on the receipt.”*

The receipt reads "Hold-downs, straps and anchor bolts, Site 22 framing" and names job 27-05, cost code 06-100. Merchant category 5211 Building Materials goes to 1400 Construction in Progress with the job and cost code on the receipt (CARD-6). Submitted to 6200 with no job, it would overstate October's expenses and understate the Site 22 building's cost by $1,286.40. CC-01 codes it to 1400, job 27-05 / 06-100, like Dana Ortiz's other Site 22 purchases on this statement.

Proposed entry CC-01, not posted.

Duplicate Charge · 7327 · Riley Chen · $127.55

> *CARD-4 Duplicate Charges (Card Policy page 2): “Two charges with the same merchant, date and amount and only one receipt are a duplicate. The second is disputed with the card issuer within 60 days of the statement date and held in 1920 Card Disputes Receivable until credited.”*

References 7326 and 7327 are the same merchant, date and amount, and only 7326 has a receipt (copy paper, folders and labels). Under CARD-4 the second is a duplicate: CC-01 codes it to 1920 Card Disputes Receivable instead of 6600, and the dispute must reach Cobalt Harbor within 60 days of the October 25 statement date, by December 24.

Proposed entry CC-01, not posted.

Personal Charge · 7316 · Sam Whitaker · $148.20

> *CARD-3 Personal Charges (Card Policy page 2): “The card is for HANGS business only. A personal charge is coded to 1910 Due From Employees and repaid by the cardholder within 30 days, by check or, with written consent, by payroll deduction.”*

It was submitted as "Site supplies" to 6200 Small Tools & Supplies, but the receipt is merchant category 5411 Grocery Stores and reads "Groceries and household items", with no job. The coding guide treats that category as personal unless the receipt shows job materials (CARD-3). CC-01 codes it to 1910 Due From Employees and Sam Whitaker repays HANGS $148.20 by November 24, by check or, with written consent, payroll deduction.

Proposed entry CC-01, not posted.

Use Tax on an Out-of-State Purchase · 7304 · Dana Ortiz · $253.44

CARD-7 Use Tax (Card Policy page 3): "When a seller outside Washington ships goods to HANGS without charging Washington sales tax, accrue use tax at the delivery location's rate, 9.6% for Anytown, to 2150 Use Tax Payable, and report it on the monthly excise return."

Invoice SLT-88417 shows sales tax $0.00 and says the seller is not registered to collect Washington sales tax; the goods were shipped to the HANGS yard in Anytown. Under CARD-7 HANGS owes use tax at 9.6%: $2,640.00 x 9.6% is $253.44. CC-02 accrues it to 2150 Use Tax Payable for the October excise return.

Proposed entry CC-02, not posted.

Held for a Decision

Missing Receipt Over the Limit · 7314 · Sam Whitaker · $418.76

CARD-2 Receipts (Card Policy page 1): "An itemized receipt is required for every charge of $75.00 or more, attached within 30 days of the statement date. Without one, the cardholder signs a missing-receipt affidavit the Controller approves, or the charge is treated as personal."

Sam Whitaker submitted it as "Supplier yard visit, 2 nights" to 6920 Travel and Lodging, with no receipt attached. CARD-2 requires an itemized receipt for every charge of $75.00 or more within 30 days of the statement date, by November 24. CC-01 holds it in 1990 Card Charges Pending Review. With the folio or a signed missing-receipt affidavit the Controller approves, it moves to 6920; without either it is personal and Sam Whitaker repays it.

Proposed entry CC-01, not posted.

Subscription Renewal Not Approved · 7323 · Riley Chen · $1,188.00

CARD-5 Subscriptions (Card Policy page 2): "A subscription or renewal may be charged only when the Approved Subscriptions Register shows it approved. Any other renewal is held in 1990 until the Controller approves it or it is cancelled for a refund."

The receipt reads "PlanVault Pro, 12 months from October 11, 2026, auto-renewal". The Approved Subscriptions Register lists PlanVault Pro as "Cancel at renewal": "Replaced by CloudDraft Plans; do not renew (Controller, August 14, 2026)". Nobody approved the renewal (CARD-5). CC-01 holds it in 1990 Card Charges Pending Review. Morgan Lee approves it in the register, or it is cancelled for a refund; vendors commonly allow 30 days, which would be November 10.

Proposed entry CC-01, not posted.
