WHAT STILL NEEDS A PERSON

PRIOR-01 · $949.05: The Q2 report as filed left out the June 26 bonus run: $55,500.00 of wages for 6 people. Paid Leave premiums of $627.15 and WA Cares premiums of $321.90 on those wages were not reported or paid. A person files an amended Q2 report.

WACARES-01 · $176.23: Omar Rasmussen (E-1032) gave payroll a WA Cares exemption approval on July 22, 2026, and payroll stopped the deductions from the July 24 payday. The rules point two ways. The Paid Leave toolkit says to stop from the exemption's effective date, October 1, 2026 (the first day of the quarter after approval), or the date of notice, whichever is later; RCW 50B.04.055(9) says employers may not deduct premiums after being notified of an approved exemption. The draft takes the toolkit's reading and shows $176.23 of premiums due on the Q3 wages paid after July 22; they were not withheld and cannot be taken from later paychecks. Under either reading nothing can now be taken from Omar Rasmussen. Under the toolkit's reading HANGS reports the wages as covered through September 30 and pays the $176.23 itself; under the statute's reading the wages are marked exempt from July 22 and nothing is due. A person decides which reading applies and files accordingly.

LABOR-01 · $361.97: Tomas Arvelo has no contractor registration and no UBI on file, two of the conditions in RCW 50A.05.010. A person checks L&I's contractor-registration lookup and the Department of Revenue's business lookup for Tomas Arvelo: if either is missing, the exclusion fails on the facts and the work is covered; if both exist, whether the work was free from the foreman's control is the judgment. If the work is covered employment, $21,168.00 of wages and 504 hours belong on this report: $239.20 of Paid Leave premium and $122.77 of WA Cares premium.

RETURN-01: Unsigned draft. The report was due November 2, 2026 (October 31 was a Saturday) and nothing has been filed or paid. Overdue Paid Leave premiums draw 1% interest a month (since August 2026), and the Paid Leave late-fees page lists penalties for late reports as coming soon (see the rule checks). A person reviews and files it in the Paid Leave employer account and pays the two premiums separately.

This PDF is an unsigned draft in the report's sections. It is not the Employment Security Department's form, and it has not been reviewed, signed, filed or paid.

When were the Q3 2026 Paid Leave and WA Cares report and premiums due?

Verified Online · WAC 192-540-050, When are employers required to submit quarterly reports to the department? · retrieved 2026-11-07 · determined-by-facts

https://app.leg.wa.gov/wac/default.aspx?cite=192-540-050

Q3 2026 ends September 30, 2026. The last day of October was Saturday, October 31, 2026, so the report was due Monday, November 2, 2026, and the toolkit's report and premium payment due dates put the two payments on the same day (amended-q2-report). Nothing has been filed or paid (RETURN-01), so the report will be late when filed and the $44,170.21 due is overdue (late-report-penalties-and-interest).

Is Paid Leave and WA Cares one report or two, and how are the premiums paid?

Verified Online · WA Cares Fund Toolkit: Frequently Asked Questions (updated Oct. 20, 2026) · retrieved 2026-11-07 · determined-by-facts

https://wacaresfund.wa.gov/toolkit/faq

The draft is a single Q3 report for 96 employees with two premium totals, paid as two payments: Paid Leave $28,791.22 and WA Cares $15,378.99, $44,170.21 in all.

The Q2 report as filed left out the June 26 bonus run. How is it corrected?

Verified Online · Employer Wage Reporting and Premiums Toolkit (v25.1, June 2026) · retrieved 2026-11-07 · determined-by-facts

https://paidleave.wa.gov/app/uploads/2021/12/Employer-Wage-Reporting-and-Premiums-Toolkit-v25.1-2026.06.26.pdf

PRIOR-01: the June 26, 2026 bonus run paid $55,500.00 to 6 people, but the Q2 report as filed shows $3,219,114.86 of wages, not the $3,274,614.86 paid in Q2. Paid Leave premiums of $627.15 and WA Cares premiums of $321.90, $949.05 in all, were not reported or paid, although payroll withheld $447.93 of Paid Leave and $321.90 of WA Cares from those bonus checks. The amended Q2 report lists all 96 Q2 employees, with Paid Leave wages of $3,261,614.83 and WA Cares wages of $3,240,153.30, not only the six. The Q2 premiums were due July 31, 2026, so interest at 1% a month runs from August 1, 2026; ESD computes it and the draft does not estimate it.

What do a late Paid Leave report and overdue premiums cost?

Verified Online · Paid Leave: Billing Statements and Late Fees · retrieved 2026-11-07 · determined-by-facts

https://paidleave.wa.gov/premium-balance/

The Q3 report was due November 2, 2026 and nothing has been filed or paid, so the $44,170.21 due is overdue and carries 1% interest a month until paid, as do the PRIOR-01 premiums of $949.05, due July 31, 2026. The Q1 and Q2 reports as filed show filing dates of April 27 and July 27, 2026, before their due dates, so the Q3 report would be the first late Paid Leave report on this record: a warning notice under the schedule, if the penalties apply when it is filed. ESD computes interest and penalties; the draft states no amount for either.

What premium rate, wage cap and split apply to Paid Leave in 2026?

Verified Online · Paid Leave: Your Role and Responsibilities as an Employer · retrieved 2026-11-07 · determined-by-facts

https://paidleave.wa.gov/employer-roles-responsibilities/

Paid Leave wages for Q3 are $2,547,895.60: gross wages of $2,681,087.98 less $133,192.38 over the cap (premium-wage-bases). $2,547,895.60 x 1.13% = $28,791.22. Employees may pay up to 71.43% of it, $20,565.57; HANGS pays the employer share (pfml-employer-size, pfml-employee-share-withheld). No tips are paid.

How much Paid Leave premium did payroll take from employees, and what does HANGS pay?

Verified Online · Paid Leave: Estimate Your Paid Leave Payments · retrieved 2026-11-07 · determined-by-facts

https://paidleave.wa.gov/estimate-your-paid-leave-payments/

Payroll deducted 0.8071% of Paid Leave wages on each Q3 paycheck, just under 1.13% x 71.43% = 0.807159%: $20,563.95 in all, against a maximum of $20,565.57, and no paycheck above its own maximum. The $1.62 not withheld cannot be taken from later paychecks, so HANGS pays it: the employer's share is $28,791.22 - $20,563.95 = $8,227.27, $1.62 more than 28.57% of the premium ($8,225.65).

Is HANGS an employer of 50 or more that must pay the employer share in 2026?

Verified Online · WAC 192-510-040, How does an employer's size affect liability for premiums? · retrieved 2026-11-07 · determined-by-facts

https://app.leg.wa.gov/wac/default.aspx?cite=192-510-040

The employer accounts record ESD's employer size notice of September 2025, as recorded by the controller: 50 or more employees for 2026. The Q3 register agrees with that size: it pays 96 employees, all working in Washington (9 at the Seattle office, 75 on job sites and 12 at both, per the roster). The employer share applies: $8,227.27.

Which of the quarter's wages carry each premium once the Paid Leave cap and the WA Cares exemptions are applied?

Verified Online · Employer Wage Reporting and Premiums Toolkit (v25.1, June 2026) · retrieved 2026-11-07 · determined-by-facts

https://paidleave.wa.gov/app/uploads/2021/12/Employer-Wage-Reporting-and-Premiums-Toolkit-v25.1-2026.06.26.pdf

Gross wages $2,681,087.98 for 96 employees. Paid Leave: the year-to-date file shows Alicia Abernathy (E-1001), Managing Director, already at $184,500.00, so all $91,153.86 of Q3 wages are over the cap; Andre Halvorsen (E-1002), Director of Operations, had $155,000.04 and reached the cap on the August 7 payday, with $6,269.28 of that paycheck and $35,769.24 after it over the cap. Over the cap $133,192.38; Paid Leave wages $2,547,895.60; both people's full wages stay on the report. WA Cares: Gabriel Iverson (E-1013), Estimator, exempt since January 1, 2023, is marked exempt, and $29,538.48 carries no WA Cares premium (Paid Leave still applies). Omar Rasmussen's (E-1032) exemption takes effect October 1, 2026, later than the July 22 notice, so all $35,461.50 of Q3 wages are covered. WA Cares wages $2,651,549.50.

Do the 401(k) deferrals and Section 125 health premiums stay in the wages that carry both premiums?

Verified Online · WAC 192-510-025, What wages are reportable to the department for premium assessment purposes? · retrieved 2026-11-07 · needs-human-judgment

https://app.leg.wa.gov/wac/default.aspx?cite=192-510-025

The draft uses gross pay before deductions, the toolkit's gross wages, for both programs: $2,681,087.98, including $95,016.10 of 401(k) deferrals and $49,356.00 of Section 125 health premiums, the same basis as the Q1 and Q2 reports as filed. Treating those salary reductions as excluded would lower Paid Leave wages, WA Cares wages and both premiums; the draft computes no alternative.

Stays with a person: Reason: no official page names 401(k) or Section 125 salary reductions for Paid Leave or WA Cares. The toolkit and the WA Cares FAQ point to this rule for the meaning of wages, and its subsection (2)(c) excludes payments under an employer's retirement or medical plan without addressing employee salary reductions. A person confirms the gross-pay basis before filing.

Which paychecks belong on the Q3 report, and what must each employee line show?

Verified Online · WAC 192-540-030, What are employers required to report to the department? · retrieved 2026-11-07 · determined-by-facts

https://app.leg.wa.gov/wac/default.aspx?cite=192-540-030

The draft reports the six paydays from July 10 to September 18, 2026: $2,681,087.98 for 96 employees. The October 2, 2026 paycheck for work in September belongs on the Q4 report, and the June 26 bonus run on the Q2 report (PRIOR-01). Each employee line shows the name, date of birth, wages, hours and WA Cares status, with only the last four digits of the Social Security number. Premiums deducted in Q3: Paid Leave $20,563.95 and WA Cares $15,202.76.

How many hours go on the report for hourly and salaried employees?

Verified Online · WAC 192-540-040, How should employers report hours for each calendar quarter? · retrieved 2026-11-07 · determined-by-facts

On that basis, the hours associated with the wages paid in the quarter: the 68 hourly employees worked 30,272 regular and 1,969 overtime hours on the Q3 paychecks, 32,241 in all, each overtime hour counted once. The 28 salaried employees are reported at 40 hours a week on the quarter's paychecks, which pay for 12 weeks: 480 each, 13,440 in all. Total 45,681 hours, all whole numbers; Paid Leave and WA Cares use the same hours.

What is the WA Cares premium on the Q3 wages, and does the Social Security cap apply?

Verified Online · WA Cares Fund: Employer Information · retrieved 2026-11-07 · determined-by-facts

https://wacaresfund.wa.gov/employers

WA Cares wages $2,651,549.50 x 0.58% = $15,378.99. The base includes the $133,192.38 over the Paid Leave cap and leaves out only Gabriel Iverson's exempt $29,538.48. Payroll withheld $15,202.76; the $176.23 not withheld from Omar Rasmussen is WACARES-01, and the rounding difference is $0.00.

Who pays the WA Cares premium, and how is it collected?

Verified Online · RCW 50B.04.080, Premium assessment, rate, collection (WA Cares) · retrieved 2026-11-07 · determined-by-facts

https://app.leg.wa.gov/rcw/default.aspx?cite=50B.04.080

Payroll deducted $15,202.76 of WA Cares from Q3 paychecks, never more than 0.58% of a paycheck. The Q3 premium is $15,378.99; the $176.23 not deducted from Omar Rasmussen after July 10 is WACARES-01. Because ESD uses the Paid Leave procedures, the same report and due date cover WA Cares.

When does each WA Cares exemption on file take effect, and when must withholding stop?

Verified Online · WA Cares Fund: Exemptions · retrieved 2026-11-07 · determined-by-facts

https://wacaresfund.wa.gov/exemptions

Gabriel Iverson (E-1013), Estimator: private long-term care insurance exemption approved November 14, 2022, effective January 1, 2023, approval letter given to payroll November 21, 2022; no discontinuation letter is on file, so Q3 wages carry no WA Cares premium. Omar Rasmussen (E-1032), Foreman: veteran's exemption approved July 20, 2026, effective October 1, 2026, approval letter given to payroll July 22, 2026. Read this way, withholding stops only once both have happened, on October 1, 2026, so the Q3 wages of $35,461.50 remain covered and the exemption first shows on the Q4 report.

Does HANGS owe either exempt employee a refund of WA Cares premiums?

Verified Online · WAC 192-905-020, When is an employee entitled to a refund of premiums? · retrieved 2026-11-07 · determined-by-facts

https://app.leg.wa.gov/wac/default.aspx?cite=192-905-020

No refund is due. Nothing has been deducted from Gabriel Iverson since the exemption took effect in 2023. From Omar Rasmussen, payroll deducted $29.44 on the July 10 payday, before the July 22 notice, and nothing after it, so the $29.44 stays in the $15,202.76 reported as withheld.

Did payroll take WA Cares from every paycheck that needed it?

Verified Online · WAC 192-910-015, What are the employer's responsibilities for premium deductions? · retrieved 2026-11-07 · determined-by-facts

https://app.leg.wa.gov/wac/default.aspx?cite=192-910-015

Every covered Q3 paycheck carries exactly 0.58% of its gross pay, except Omar Rasmussen's five paychecks from July 24, $176.23 (WACARES-01). Gabriel Iverson's approval letter is on file and in effect, so nothing is deducted. The controller's October 16, 2026 email and the note on the exemptions record both say two other employees have applied but no approval letter has arrived, so payroll keeps taking the deduction from both employees, as the exception needs the proof. The draft reports the full $15,378.99 due.

Payroll stopped Omar Rasmussen's WA Cares deductions from the July 24 payday, before the exemption takes effect on October 1. Which reading applies to the $176.23?

Verified Online · RCW 50B.04.055, Exemptions, voluntary exemptions (WA Cares) · retrieved 2026-11-07 · needs-human-judgment

https://app.leg.wa.gov/rcw/default.aspx?cite=50B.04.055

Omar Rasmussen's veteran's exemption was approved July 20, 2026 and takes effect October 1, 2026; payroll received the letter July 22 and took no WA Cares from the five paychecks from July 24 to September 18. The toolkit's reading stops deductions from the later of the effective date and the notice, October 1, so $176.23 was due ($37.62, $36.39, $36.39, $33.94 and $31.89); subsection (9) reads as stopping them from the notice. The draft takes the toolkit's reading and shows the $176.23 due; it was not withheld and cannot be taken from later paychecks. Stays with a person: Reason: the statute ties the stop to the notice; the toolkit and the exemptions page wait for the effective date. Under either reading nothing can now be taken from Omar Rasmussen: under the toolkit's, HANGS reports the wages as covered through September 30 and pays the $176.23 itself; under the statute's, the wages are marked exempt from July 22 and nothing is due. A person decides which reading applies (WACARES-01). No plug is posted.

TAX RULE CHECKS, CONTINUED

Is the hourly concrete finishing billed by Tomas Arvelo, an individual, covered employment whose pay belongs on this report?

The labor vendor file shows Tomas Arvelo, an individual, paid $21,168.00 through accounts payable in Q3 for 504 hours of concrete finishing at $42.00 an hour at Tideflats Cold Storage, under the HGC foreman. No contractor registration and no UBI are on file, so the file does not show conditions (E) and (G) met, and work under the HGC foreman does not show the freedom from control that (A) requires. The draft leaves the payments off the report; if the work is employment, $21,168.00 of wages and 504 hours belong on it, with $239.20 of Paid Leave premium at 1.13% and $122.77 of WA Cares premium at 0.58%, $361.97 in all.

Stays with a person: Reason: a person checks L&I's contractor-registration lookup and the Department of Revenue's business lookup for Tomas Arvelo. If either is missing, the exclusion fails on the facts and the work is covered; if both exist, whether the work was free from the foreman's control is the judgment (LABOR-01). The draft does not add the $21,168.00 or the $361.97; no plug is posted.
