WHAT STILL NEEDS A PERSON

LOC-01 · ($284.00): Invoice HGC-26-1043 (Pier 9 Lofts, 166 homes) charged 10.30% for Bellevue (1704), but the job site is Seattle (1726) at 10.55%. The return reports the job-site rate: $113,600.00 x 10.55% = $11,984.80, against $11,700.80 charged. $284.00 was not collected from the owner. A person decides whether to rebill; no plug posted.

RESALE-01: No reseller permit on file from Summit Line Construction Co. for invoice HGC-26-1048 ($240,000.00). The job list shows the first billing on October 30, 2026, so the permit can still be obtained by February 27, 2027 (120 days, WAC 458-20-102). The draft keeps it in wholesaling. Until the permit arrives a person decides; if it never arrives, retail sales tax of $25,320.00 would be due. No plug posted.

DOC-01: The October trial balance is unapproved. The client's email of 02 Nov 2026 says it has not been approved yet. The draft uses the supplied general ledger and registers; its figures change only when an approved export is supplied.

RETURN-01: This is an unsigned draft in the return's sections, not the Department's form. A person reviews it, decides the open items and the retail treatment of Juniper Row Homes, 9 homes for a related speculative builder, and files and pays in My DOR by November 25, 2026. Nothing has been filed or paid.

This PDF is an unsigned draft in the return's sections. It is not the Department's form, and it has not been reviewed, signed, filed or paid.

TAX RULE CHECKS

Official sources checked during this run. These inform a reviewer; they do not change any amount or settle any judgment.

When is the October 2026 monthly return due, and when do late penalties begin?

Verified Online · 2026 Excise Tax Return Due Dates · retrieved 2026-11-07 · determined-by-facts

https://dor.wa.gov/file-pay-taxes/filing-frequencies-due-dates/2026-excise-tax-return-due-dates

HANGS General Contracting files monthly, so this draft for October 2026 is due Wednesday, November 25, 2026, and the stated date needs no weekend move. The draft shows $780,041.68 due. As of November 5, 2026 the date has not passed. Paying after November 25 would add a 9% penalty, $70,203.75 on that amount, rising to 19% on January 1, 2027 and 29% on February 2, 2027.

Is a monthly return the right frequency for this business?

Verified Online · Filing Frequencies and Due Dates · retrieved 2026-11-07 · determined-by-facts

https://dor.wa.gov/file-pay-taxes/filing-frequencies-due-dates

The entity information states the account is assigned a monthly frequency. October alone shows $780,041.68 of tax, far above $4,801 a year, so monthly is consistent with the Department's table. The return covers October 1 to October 31, 2026 only.

What B&O rates apply to retailing and wholesaling?

Verified Online · Business and Occupation Tax Classifications · retrieved 2026-11-07 · determined-by-facts

https://dor.wa.gov/find-taxes-rates/business-occupation-tax/business-occupation-tax-classifications

Retailing gross $7,030,000.00 x 0.471% = $33,111.30. Wholesaling gross $852,500.00 x 0.484% = $4,126.10. B&O total $37,237.40. The client's rate table carries the same two rates.

Which classification does each job's billing belong to?

Verified Online · Construction Industry Guide: Overview · retrieved 2026-11-07 · determined-by-facts

https://dor.wa.gov/education/industry-guides/construction/overview

Five jobs are prime contracts for the landowner (J-2611, J-2604, J-2617, J-2622, J-2625): $7,030,000.00 retailing. Two jobs are subcontracts for other prime contractors (J-2619 for Cedar Ridge Builders, J-2627 for Summit Line Construction): $852,500.00 wholesaling. Cedar Ridge's permit RP-0418-2207 is on file; Summit Line's is not (see reseller-permit-120-days).

What is the measure of B&O and retail sales tax on a construction contract?

Verified Online · WAC 458-20-170, Constructing and repairing of new or existing buildings or other structures upon real property · retrieved 2026-11-07 · determined-by-facts

The B&O and retail sales tax lines use the full October billings: $7,030,000.00 retail and $852,500.00 subcontract, with nothing deducted for subcontractor costs or materials.

Is retainage held by the owner deducted before B&O and sales tax?

Verified Online · Construction Industry Guide: Custom Construction · retrieved 2026-11-07 · determined-by-facts

https://dor.wa.gov/education/industry-guides/construction/custom-construction

Retail invoices hold back $351,500.00 of retainage in October, and subcontract invoices $42,625.00. None of it is deducted: retailing and retail sales tax are reported on $7,030,000.00, and wholesaling on $852,500.00.

Is the Juniper Row work for HANGS Construction Development LP, a related speculative builder, retail prime contracting?

Verified Online · WAC 458-20-170, Constructing and repairing of new or existing buildings or other structures upon real property · retrieved 2026-11-07 · needs-human-judgment

https://app.leg.wa.gov/wac/default.aspx?cite=458-20-170

Invoice HGC-26-1046 bills $618,000.00 to HANGS Construction Development LP for Juniper Row Homes, Seattle. The draft treats HANGS General Contracting as an independent contractor making a retail sale: retailing B&O and Seattle sales tax at 10.55%, $65,199.00, are included. Both partnerships are in the same group, and the files do not show who holds the land or whether the two act as one venture.

Stays with a person: Reason: the two partnerships are related, and the rule turns on who owns the land and on the actual relationship, which no supplied document shows. A person confirms the retail treatment before filing.

Can HGC-26-1048 to Summit Line Construction be reported as wholesale without a reseller permit on file?

Verified Online · WAC 458-20-102, Reseller permits · retrieved 2026-11-07 · blocked-by-missing-fact

https://app.leg.wa.gov/wac/default.aspx?cite=458-20-102

Only Cedar Ridge Builders' permit RP-0418-2207 is on file. HGC-26-1048, $240,000.00 billed October 30, 2026 for Lakeside Clinic, has none. The job list shows October 30, 2026 as the first billing, so the permit can still be obtained by February 27, 2027. The draft keeps it in wholesaling; if the permit never arrives, Seattle sales tax at 10.55%, $25,320.00, would be due.

Stays with a person: Summit Line Construction Co.'s reseller permit is missing (RESALE-01). No plug is posted.

Which location code and rate apply to retail construction billings?

Verified Online · Construction Industry Guide: Custom Construction · retrieved 2026-11-07 · determined-by-facts

https://dor.wa.gov/education/industry-guides/construction/custom-construction

The draft reports each retail billing at its job site from the job list: Bellevue 1704 $2,180,000.00, Seattle 1726 $3,540,000.00, Tacoma 2717 $1,310,000.00. Change order 7 on Pier 9 Lofts (HGC-26-1043, $113,600.00) is a Seattle site billed at Bellevue's rate, so it is reported under 1726.

HGC-26-1043 charged the owner Bellevue's 10.30% instead of Seattle's 10.55%. Should the owner be rebilled?

Verified Online · Construction Industry Guide: Custom Construction · retrieved 2026-11-07 · needs-human-judgment

https://dor.wa.gov/education/industry-guides/construction/custom-construction

Invoices charged $735,276.00 of sales tax; tax at job-site rates is $735,560.00. The $284.00 difference is HGC-26-1043: $113,600.00 at 10.55% is $11,984.80, but the invoice states $11,700.80. The draft reports the job-site amount and shows the $284.00 as an open difference, not plugged.

Stays with a person: Whether to issue a corrected invoice to Pier Nine Residential LLC for $284.00 is a business decision for a person (LOC-01).
