WHAT STILL NEEDS A PERSON

PRIOR-01 · $269.70: The Q2 report as filed left out the June 26 bonus run: $55,500.00 of wages for 6 people, $8,700.05 of it taxable, $269.70 of tax. A person files an amended Q2 report. This report's excess wages use the wages actually paid so far this year.

LABOR-01 · $656.21: Tomas Arvelo has no contractor registration and no UBI on file, two of the seven conditions in RCW 50.04.145. A person checks L&I's contractor-registration lookup and the Department of Revenue's business lookup for Tomas Arvelo: if either is missing, the exclusion fails on the facts and the work is covered; if both exist, whether the work was free from the foreman's control is the judgment. If the work is covered employment, $21,168.00 of wages and 504 hours belong on this report: $656.21 of tax at 3.10%.

RETURN-01: Unsigned draft. The report was due November 2, 2026 (October 31 was a Saturday) and nothing has been filed or paid. ESD charges a $25 penalty for each late report, plus interest and penalties on late tax (see the rule checks). A person reviews and files it in EAMS and pays the $38,682.49.

This PDF is an unsigned draft in the report's sections. It is not the Employment Security Department's form, and it has not been reviewed, signed, filed or paid.

TAX RULE CHECKS

Official sources checked during this run. These inform a reviewer; they do not change any amount or settle any judgment.

When is the Q3 2026 tax and wage report due?

Verified Online · WAC 192-310-010, What reports are required from an employer? · retrieved 2026-11-07 · determined-by-facts

https://app.leg.wa.gov/wac/default.aspx?cite=192-310-010

Q3 2026 ended September 30, 2026, so the report is due October 31, 2026. That is a Saturday, so the report is due Monday, November 2, 2026. The draft shows $38,682.49 of tax for the quarter. These checks were written on November 5, 2026, after the due date; late-report-and-payment sets out what follows from that.

Which quarterly reports does ESD expect, and how is this one filed or a filed one changed?

Verified Online · How to File Your Quarterly Tax and Wage Reports · retrieved 2026-11-07 · determined-by-facts

https://esd.wa.gov/employer-requirements/quarterly-reports/how-file-your-quarterly-tax-and-wage-reports

This draft is the unemployment insurance report for ESD account 000-418226-0 (a demonstration number). The Q3 2026 Paid Leave and WA Cares report is a separate filing with its own draft. The Q2 correction in PRIOR-01 is a change to the Q2 report as filed, made in EAMS or on the amended report form, not a line on this report.

What does ESD charge if the Q3 report is filed or the tax paid after November 2, 2026?

Verified Online · Penalties for Late or Incomplete Tax Payments and Reports · retrieved 2026-11-07 · determined-by-facts

https://esd.wa.gov/employer-requirements/unemployment-taxes/penalties-late-or-incomplete-tax-payments-and-reports

The report and tax were due Monday, November 2, 2026, and these checks were written on November 5, 2026. The controller's October 16, 2026 email says nothing is filed or paid until the review is done, this draft is not yet reviewed, and nothing has been filed or paid, so the report is late. ESD's penalties page charges a $25 penalty for each late report; on late tax, interest at a rate of 1% of total taxes due per month and a late payment penalty of 5% of total taxes due or $10, whichever is more, for the first month, an additional 5% for the second and an additional 10% for the third. The draft shows the quarter's tax of $38,682.49 and computes no penalty or interest; ESD assesses any that apply (RETURN-01). The $269.70 of Q2 tax in PRIOR-01 was due with the Q2 report on July 31, 2026.

Which paychecks belong on the Q3 report?

Verified Online · Unemployment Insurance Tax Handbook for Employers, April 2026 · retrieved 2026-11-07 · determined-by-facts

https://esd.wa.gov/media/pdf/4583/employertaxhandbook-260424pdf/download?inline=

The payroll register has six Q3 paydays, July 10 to September 18, 2026: $2,681,087.98 of gross pay for 96 employees. The July 10 paycheck, for June 22 to July 5, is Q3 wages in full; work from September 14 on is paid October 2 and 16, 2026 and belongs on the Q4 report. The June 26, 2026 bonus run was paid in Q2, so it belongs on the Q2 report, which left it out (PRIOR-01).

Are 401(k) deferrals, Section 125 health premiums and bonuses part of the wages reported?

Verified Online · Unemployment Insurance Tax Handbook for Employers, April 2026 · retrieved 2026-11-07 · determined-by-facts

https://esd.wa.gov/media/pdf/4583/employertaxhandbook-260424pdf/download?inline=

Every Q3 paycheck is reported at gross pay, $2,681,087.98 in all. That gross includes $95,016.10 of 401(k) deferrals by 76 employees and $49,356.00 of Section 125 health premiums by 72 employees; neither is subtracted. No bonus was paid in Q3; the June 26 bonuses are Q2 wages (PRIOR-01).

What is the 2026 taxable wage base, and how are wages above it treated?

Verified Online · How We Determine Tax Rates · retrieved 2026-11-07 · determined-by-facts

https://esd.wa.gov/employer-requirements/unemployment-taxes/how-we-determine-tax-rates

Of the 96 employees on the Q3 report, 13 were already over $78,200 before July 1, so all $576,980.88 of Q3 wages for those 13 is excess; 47 crossed the base during Q3, adding $856,284.70 of excess; 36 stay under it. Gross wages $2,681,087.98 less excess wages $1,433,265.58 leaves taxable wages of $1,247,822.40.

Did the wage base change for 2026, and is a solvency tax added this year?

Verified Online · Unemployment Insurance Trust Fund Forecast, June 2026 · retrieved 2026-11-07 · determined-by-facts

https://esd.wa.gov/media/pdf/5068/202606-uitrustfund-reportpdf

The year-to-date tests use $78,200, not 2025's $72,800. The rate notice's 0.70% social rate for class 20 is the graduated rate from ESD's 2026 table, not the 0.60% flat rate. No solvency tax is added, so the rate stays 3.10%.

Is Q3 excess measured on the wages actually paid this year, or on what the earlier reports showed?

Verified Online · Unemployment Insurance Tax Handbook for Employers, April 2026 · retrieved 2026-11-07 · determined-by-facts

https://esd.wa.gov/media/pdf/4583/employertaxhandbook-260424pdf/download?inline=

Q3 excess is measured against each employee's 2026 wages actually paid, from the year-to-date file, bonus pay included. Measured against the Q1 and Q2 reports as filed instead, Carter Jaramillo (E-1006) and Liam Ekwueme (E-1023) would show $8,700.05 less Q3 excess, and Q3 taxable wages would be $1,256,522.45 instead of $1,247,822.40. That $8,700.05 is the taxable wage missing from the Q2 report as filed (PRIOR-01).

How is the employer's 2026 total tax rate made up, and for how long does it apply?

Verified Online · How We Determine Tax Rates · retrieved 2026-11-07 · determined-by-facts

https://esd.wa.gov/employer-requirements/unemployment-taxes/how-we-determine-tax-rates

The client's 2026 rate notice, dated December 12, 2025, assigns rate class 20: experience 2.38% + social 0.70% + EAF 0.02% = 3.10%, for all of 2026. Applied to Q3 taxable wages: $1,247,822.40 x 3.10% = $38,682.49.

Does the client's 3.10% match ESD's published 2026 rate for rate class 20?

Verified Online · 2026 Tax Rates for Employers · retrieved 2026-11-07 · determined-by-facts

https://esd.wa.gov/media/pdf/4819/2026-unemployment-tax-rates-employerspdf

The rate notice's class 20 figures, 2.38%, 0.70%, 3.08% and 3.10% in total, match the published row. Tax due: $1,247,822.40 x 3.10% = $38,682.49.

Why is the EAF 0.02% for this employer and not 0.03%?

Verified Online · RCW 50.24.014, Financing special unemployment assistance - Financing the employment security department's administrative costs - Accounts - Contributions · retrieved 2026-11-07 · determined-by-facts

https://app.leg.wa.gov/rcw/default.aspx?cite=50.24.014

HANGS General Contracting is in rate class 20, so the EAF is 0.02%: 3.08% + 0.02% = 3.10%, not 3.11%. The Q3 register's deductions are 401(k), Section 125, federal income tax, Social Security, Medicare, Additional Medicare, Paid Leave, WA Cares and L&I; no unemployment tax is taken from pay.

What must each employee's line on the report show?

Verified Online · WAC 192-310-010, What reports are required from an employer? · retrieved 2026-11-07 · determined-by-facts

https://app.leg.wa.gov/wac/default.aspx?cite=192-310-010

The wage detail has 96 lines, one for each employee paid in Q3, including the three Q3 hires (E-1094, E-1095, E-1096) and the three Q3 leavers (E-1073, E-1046, E-1087). The lines add to the register's $2,681,087.98 and 45,681 hours. The draft shows each Social Security number by its last four digits only.

Which hours are reported for hourly and for salaried employees?

Verified Online · How to File Your Quarterly Tax and Wage Reports · retrieved 2026-11-07 · determined-by-facts

https://esd.wa.gov/employer-requirements/quarterly-reports/how-file-your-quarterly-tax-and-wage-reports

The hours reported are the hours associated with the wages paid in the quarter. Hourly employees: the register's actual hours, overtime hour for hour: 68 employees, 32,241 hours, including 1,969 overtime hours. Salaried employees: the employer accounts say no hours are kept for salaried employees (superintendents keep a daily job log of the job worked each day), so 40 hours for each week a salaried employee worked on the quarter's six biweekly paychecks, 12 weeks, 80 a paycheck: 28 employees, 168 paychecks, 13,440 hours. Total 45,681 hours, all whole numbers. On the amended Q2 report, the June 26 bonuses add wages but no hours.

All 96 employees have a six-digit SOC code on the roster: 16 different codes, each ending in 1 through 9, for example 472031 for the carpenters, 472061 for the laborers and 471011 for the foremen, superintendents and assistant superintendents. No line needs a job title instead.

Is Tomas Arvelo's concrete finishing work covered employment that belongs on this report?

Verified Online · RCW 50.04.145, Employment - Exclusions · retrieved 2026-11-07 · needs-human-judgment

https://app.leg.wa.gov/rcw/default.aspx?cite=50.04.145

The labor vendor list shows Tomas Arvelo, an individual, billing concrete finishing by the hour at $42.00 at Tideflats Cold Storage under the HGC foreman: $21,168.00 for 504 hours in Q3, paid through accounts payable. No contractor registration and no UBI number are on file, conditions (7) and (5), and the foreman's direction bears on condition (1). The draft reports the payroll as recorded. If the work is covered employment, $21,168.00 of wages and 504 hours belong on this report: $656.21 of tax at 3.10%. The other four labor vendors are companies with contractor registrations and UBI numbers on file.

Stays with a person: Reason: two of the seven conditions are not on file and the work ran under the HGC foreman's direction; whether it is covered employment is a decision for a person (LABOR-01). Nothing is added to the draft.
