WHAT STILL NEEDS A PERSON

SSN-01: Alicia Castellano (E-1101), hired December 7, 2026, has no Social Security number on file; the roster says the card was applied for. Her Form W-2 ($3,040.00 in box 1) is e-filed with zeros in box a (Applied For on paper). A person asks her for the number and name exactly as on the card and files Form W-2c when it arrives.

VEHICLE-01 · $4,625.62: The personal use of two company pickups is not in the 2026 payroll, so it is not in boxes 1, 3 and 5. Hector Fairbanks (T-114): $2,794.38; box 1 would be $184,182.38, box 3 $184,500.00, box 5 $193,882.38, with no Social Security tax (box 3 is already at the base) and $40.52 of Medicare tax to withhold. Hana Yilmaz (T-121): $1,831.24; box 1 would be $114,105.22, box 3 $117,735.34, box 5 $117,735.34, with $113.54 of Social Security and $26.55 of Medicare tax to withhold. Payroll adds the values in a final 2026 adjustment and the Q4 Form 941, not yet filed, before either is filed: line 2 and line 5c rise by $4,625.62 and line 5a by $1,831.24. Income tax withholding on the values is optional if the employees are told and box 14a shows them.

BOX4-01 · $0.13: Box 4 cannot exceed $11,439 for 2026. Paycheck-by-paycheck rounding over-withheld $0.03 from Alicia Abernathy and $0.10 from Hector Fairbanks. Payroll repays the $0.13 and the forms show $11,439.00; the Q4 Form 941 line 7 falls by the same amount.

OVERTIME-01 · $219,355.75: Code TT, $219,355.75 for 69 employees, is half the regular rate on every overtime hour the payroll paid at time and a half. It counts only overtime that section 7 of the Fair Labor Standards Act requires, over 40 hours in a workweek. The year-end details say overtime is paid for hours over 40 in a workweek; a person confirms that no daily, holiday or contractual overtime is in it.

RETURN-01: Unsigned draft. The 101 Forms W-2 and the W-3 are due to the SSA, and the employee copies to the employees, by Monday, February 1, 2027 (January 31 is a Sunday). With 101 forms HANGS must e-file. Fix VEHICLE-01 and BOX4-01 first; a person reviews, e-files and mails the copies. Nothing has been filed.

This PDF is an unsigned draft in the forms' boxes. It is not the official Forms W-2 and W-3, and it has not been reviewed, signed or filed.

TAX RULE CHECKS

Official sources checked during this run. These checks inform a reviewer, change no amount and settle no judgment.

When are the 2026 Forms W-2 and W-3 due, and must they be e-filed?

Verified Online · General Instructions for Forms W-2 and W-3 (2026) · retrieved 2026-11-07 · determined-by-facts

https://www.irs.gov/instructions/iw2w3

HANGS General Contracting files 101 Forms W-2 for 2026, so it must e-file with the SSA; the W-3 totals travel with the electronic file. Both the SSA filing and the employee copies are due Monday, February 1, 2027.

What goes in box 1, and are the 401(k) deferrals and Washington Paid Leave premiums in it?

Verified Online · General Instructions for Forms W-2 and W-3 (2026) · retrieved 2026-11-07 · determined-by-facts

https://www.irs.gov/instructions/iw2w3

Each Form W-2's box 1 is the year's gross pay less its 401(k) deferrals and Section 125 premiums: $11,808,789.77 less $419,035.12 and $218,104.00 = $11,171,650.65 for the 101 forms. The Paid Leave premiums withheld, $92,519.83, are shown in box 14a for information and remain in box 1.

What are the 2026 Social Security limits for boxes 3 and 4, and what goes in boxes 5 and 6?

Verified Online · General Instructions for Forms W-2 and W-3 (2026) · retrieved 2026-11-07 · determined-by-facts

https://www.irs.gov/instructions/iw2w3

Three employees passed the wage base: their box 3 is $184,500.00. Payroll's paycheck-by-paycheck rounding left box 4 at $11,439.03 for Alicia Abernathy and $11,439.10 for Hector Fairbanks, over the $11,439 maximum (BOX4-01). Box 6 includes the Additional Medicare Tax withheld from the two employees paid over $200,000.

How are the 401(k) deferrals reported in box 12, and what is the 2026 limit?

Verified Online · General Instructions for Forms W-2 and W-3 (2026) · retrieved 2026-11-07 · determined-by-facts

https://www.irs.gov/instructions/iw2w3

80 employees deferred $419,035.12 in all; the largest, $19,750.12, is under the $24,500 limit, so no catch-up or excess deferral question arises. W-3 box 12a is $419,035.12.

What is code TT, new for 2026, and which overtime pay goes in it?

Verified Online · General Instructions for Forms W-2 and W-3 (2026) · retrieved 2026-11-07 · needs-human-judgment

https://www.irs.gov/instructions/iw2w3

69 hourly employees worked overtime in 2026. Half their regular rate on each overtime hour is $219,355.75, exactly one third of the overtime pay. Whether every recorded overtime hour is overtime section 7 requires stays open (OVERTIME-01).

Stays with a person: A person confirms that the overtime paid is overtime the FLSA requires, over 40 hours in a workweek, and not daily or contractual overtime (OVERTIME-01).

Must HANGS report the cost of employer-sponsored health coverage with code DD?

Verified Online · Form W-2 Reporting of Employer-Sponsored Health Coverage · retrieved 2026-11-07 · determined-by-facts

https://www.irs.gov/affordable-care-act/form-w-2-reporting-of-employer-sponsored-health-coverage

HANGS General Contracting filed 104 Forms W-2 for 2025, fewer than 250, so code DD is optional for 2026. The draft leaves it out; the client files do not hold the employer cost of each employee's coverage.

Which employees get the box 13 Retirement plan check?

Verified Online · General Instructions for Forms W-2 and W-3 (2026) · retrieved 2026-11-07 · determined-by-facts

https://www.irs.gov/instructions/iw2w3

The plan has elective deferrals only, no employer contributions in 2026, so the 80 employees with code D get the check and the other 21 do not.
